**Injured Marine Semper Fi Fund**

---

The Injured Marine Semper Fi Fund is a 501(c)(3) nonprofit set up to provide immediate financial support for injured and critically ill members of the U.S. Armed Forces and their Families. The Semper Fi Fund directs urgently needed resources to post 9-11 Marines and Sailors, as well as members of the Army, Air Force or Coast Guard who serve in support of Marine Forces.

The basic idea that drives the efforts of the Semper Fi Fund is simple: as much as these American heroes have sacrificed, they deserve the best care and support available in their hour of need. Injuries are often severe, and the road to recovery or rehabilitation can be long and costly.

The Semper Fi Fund provides relief for financial needs that arise during hospitalization and recovery as well as assistance for those with perpetuating needs. The Semper Fi Fund provides support in a variety of ways including:

- Service Member and Family Support
- Specialized & Adaptive Equipment
- Adaptive Housing
- Adaptive Transportation
- Education and Career Transition Assistance
- Post Traumatic Stress Disorder and Traumatic Brain Injury Support
- Therapeutic Arts
- Team Semper Fi
